Dear Ms. Wood,

The Santa Susana High School staff, students, and P.A.C.T. members immensely thank you for your absolutely phenomenal performance at our first "A Night Under the Stars" event on Saturday, September 14th. We are so pleased that this first event was an unbelievable success and thrilled that you were a part of it!

I created and oversee the P.A.C.T. Website and, with your approval, would love to include a brief synopsis of your wonderful performance. I gave Sharon Demartino draft verbiage to forward to you (copy attached), for your review and approval. It also includes a suggested link to your direct Website so you get further exposure. However, please feel free to make any revisions whatsoever.

On a personal note, my daughter, Rachelle, (who was talking to you in the cafeteria with tears running down her face in complete admiration and asked for your autograph) and I thought you were WONDERFUL! I also appreciated the kindness and patience you gave Rachelle – she's still talking about you!!!! You definitely made her evening and, actually, all 15 of her total years complete!!!! She was so impressed by you that she doesn't even care you're not the real Cher... as in her heart you are as close as can be!!! You truly are an unbelievable resemblance in every respect to Cher that it's amazing!!!

Thank you so very much for taking time out of your busy schedule to sit for hours in immense heat and still be patient, humorous and utterly remarkable!

My Sincerest Thanks,

Wendy Flood
